Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the WV Council for Community and Technical Education project at the New River Community and Technical College in fiscal year 2022. The entity to receive funding for this project is the WV Council for Community and Technical Education located at 1018 Kanawha Blvd East, Suite 700, Charleston, WV 25301. The funding would be used for a Department of Labor, Employment and Training Administration, Training and Employment Services grant to provide for both personnel for curriculum development and aerospace training equipment. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Carol D. Miller
